

## WTTD 2026 T-shirt Printing Guidelines

To ensure a consistent look for World Table Tennis Day, please carefully follow the guidelines below when printing your official Promoter T-shirt locally.

### 1. Use of Official Artwork

- Please use **only the official PDF printing file** provided.
- **Do not distort, stretch, recolour, crop, or modify** any part of the original design.
- All graphics must be printed in their **original proportions, dimensions, and layout**.
- Do not recreate or redraw the design from scratch.

### 2. Colours & Quality

- Print the design using the **original colours** as shown in the PDF.
- Ensure high-quality printing so that all text and graphics are **clear, sharp, and legible**.
- Avoid low-resolution printing or fabric types that significantly affect readability.

### 3. Placement of Additional Logos (Local Sponsors / Partners)

- If you have **local sponsors or partners** and wish to include their logos:
  - Additional logos **should only** be placed on the **back side** of the T-shirt, **below the existing back-side graphic**.
  - Please ensure sponsor logos are **visually secondary** and do not overpower the World Table Tennis Day design.

### 4. No Commercial Alterations

- The T-shirt must not be used for commercial resale.
- The design may only be used for **World Table Tennis Day–related activities and promotion**.

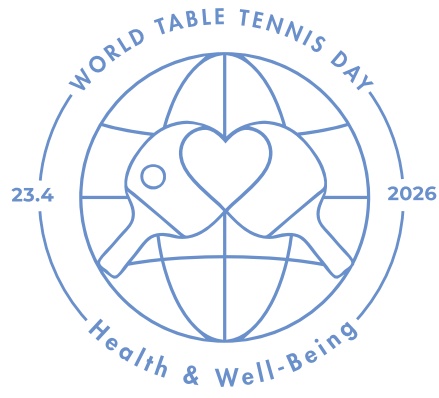

### 5. Final Check

Before printing, please double-check that:

- The design remains unchanged
- All elements are correctly placed
- The overall look matches the official World Table Tennis Day identity
